

MYSTERIO SOSPENSIONE

DESIGN DIESEL /2011

Ironic and iconic, Mysterio is a luminous eye on the wall, a flying saucer hanging on a wire in space, a magic mirror from an ancient and mysterious house, right out of a thriller or a 1970s B-movie. Vintage in its inspiration, yet contemporary in its production, Mysterio it is perfect for customising the most different settings, from a home to a trendy bar, with its mysterious and original charm. Available in a wall, ceiling or suspension version, in two colours, in warm and domestic copper or in cool and refined silver, it consists of a polycarbonate diffuser, the internal surface of which features a metallic finish.
