DESIGN

Arne Jacobsen, 1965 - Redesign 2003/2005

DESCRIPTION

Series of chairs and armchairs for office, guest, conference and lounge use as well as the private home. Designed by Arne Jacobsen, manufactured by Fritz Hansen.

FINISH

The shell is moulded wood comprising 7 layers of beech and 2 layers of poplar. The shell is upholstered with polyurethane foam and covered with fabric or leather. The armrest is moulded aluminium. The base is a 5-star base of moulded aluminium. Lounge models have a 4-star base. Chairs with a fixed seat height are provided with toes in black-grey synthetic material. Chairs with height adjustment are provided with tilt mechanism and double castors with aluminium caps. Base and arms are satin polished.

VARIETIES

Oxford chairs and armchairs are available with low or high back, with castors or toes, with fixed seat height or height adjustment. Accessories also include mirror chromed base and arms, leather arm pads, automatic return mechanism, glides, castors with or without brake action for hard or soft floors.

Models with low backrest and 5-star base

3171: No arms, fixed seat height, swivel, toes

3191: No arms, height adjustable, tilt, castors

UPHOLSTERY

Oxford is upholstered with moulded polyurethane foam. The padding is 15-28 mm. The chair is upholstered with the Kvadrat fabrics Tonus, Topas, Hallingdal, Divina, Bespoke Stripe, Steelcut, Oda or Fame. Oxford is also upholstered with Comfort microfibre, Soft leather (5 colours), Natural leather (1 colour), White leather (1 colour) or Elegance (3 colours).

ENVIRONMENT AND TESTS

For environmental reasons all parts of Oxford can be dismantled. The plastic material can be granulated and recycled and the aluminium can be melted and recycled. The Oxford chairs have been GS certified (Geprüfte Sicherheit) by LGA in Nuremberg in Germany. They meet EN 1728 for strength and durability, level 4 according to DS/INF 130; and EN 1022 and EN 1335 for stability.

GUARANTEE

A five-year guarantee against manufacturing defects in standard products (materials and workmanship). Wear, tear and damage to the product is not covered under this warranty. Claims from end users under the guarantee must be submitted to the vendor from whom the product was purchased. All measurements are indicative.
