Biogen IDEC, San Diego, California, USA. Architect: Hellmuth, Obata + Kassabaum, Inc.
Lighting Designer: Lighting Design Alliance. Photo: Scott McDonald of Hedrich Blessing

Design

Vilhelm Wohlert

Concept

Wohlert Pendant provides uniform general diffuse illumination. The opening at the bottom of the glass produces direct light. The quality of the glass ensures that the visual appearance of the Wohlert Pendant has an evenly lit surface.

Finish

White opal glass.

Material

Shade: Handblown white opal glass. Pendant stem: Brushed steel.

Mounting

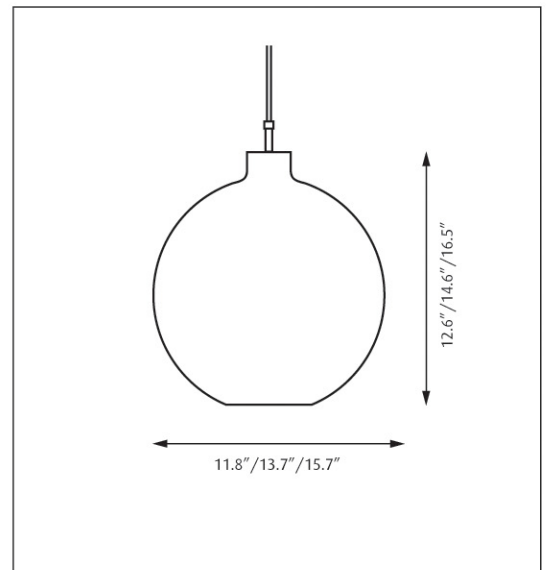

Canopy: White. Cord type: 3 or 5-conductor, 18 AWG white PVC power cord. Cord length: 12'.

Weight

Max. 8 lbs.

Label

cUL, Dry location. IBEW.
