

# ARCONAS®

Innovative Leader in Seating

#### **Playful and practical**

- Originally designed in 1969 by world-renowned designer Olivier Mourgue, Bouloum remains in vogue.
- Bouloum is contoured to mirror the human form, perfect for contemplation, relaxation and conversation.
- Bouloum can be used anywhere you want to create a relaxed and inviting atmosphere: office, library, healthcare, hospitality environments and at home.
- Tubular steel frame under CFC-free fire retardant cold cured high resiliency urethane foam ensures durability and comfort.
- Bouloum is in the permanent collection of the Museum of Modern Art in New York.

#### **Upholstery**

- Slipcover upholstery allows for easy maintenance and flexibility in cover colour.
- Moguls Terratex® fabric is available in 13 colors.
