w. 52cm l. 65cm h. 83cm
w. 20 1/2" l. 25 4/5" h. 32 7/10"

Material:
Oak or walnut with fabric or leather upholstery

Fans of Autoban's simple-yet-extraordinary chair will be delighted at the launch of its new versions. Inspired by the thin and fragile legs of a deer, this product was initially made from birch plywood. This year, designers gave it another shot, using walnut and oak timber for the main body. The result is better than ever.

Perfect for surrounding your dining table or for use as a unique piece to add some style to your room.
